“ *That smile was contagious. One of the best things I ever did was nominate Dwight for a Bell Award, which he received. He was the most deserving man ever. Way to many memories to share, but I will miss my friend for a spell then, "I'll meet you in the morning by the bright riverside."*

“ Dwight always had a smile and gave encouragement in his faithful service to the Lord. Dwight was ready to take food and clothes to the homeless and was a great witness in how to be a Christian in action. We loved him and his generous personality. He loved International Harvester and the friends he made there. Bruce and he shared those memories. Dwight will be so missed. Our prayers are with your loved ones. In Jesus arms may he touch you in comfort. Amen

“ Conrad you will be greatly missed by all. Your laugh, your kindness, your love. I will never forget how good you were to my mother by taking her into your home and being so good to her. For that alone you earned your wings. You have been so good to many others, like your dedication to feeding the homeless every week. We were all so proud of you for receiving the prestigious Bell Award. Thanks for being so great to my sister, you made her your queen. You were a wonderful husband, father, grandfather, uncle , brother in law. We have so many wonderful memories. Fly high Conrad, we love you.
