“ I know it's been some years since Warren passed but wanted to reach out with a found memory. I was Warrens Secretary at The Lutheran Brotherhood in the Market Development Department about 40 years ago. He was always the best! Was so very kind and took interest in my family as well as being so great to work for. I have thought about him off and on over the years. I remember he would dictate letters and such for me to type up when he was on business trips (no computers then). He would often deviate from what he was dictating and tell me a story or thought. So, while typing I would end up starting to type his thought or story. With the typewriter we had, I had to use white out or start over! So, one day I decided to type the correspondence up just as he dictated it and put it on his desk to sign. Was not long before I heard a roar of laughter coming from his office. He came out of his office and we had a good laugh about it. Of course I had the correct letter ready for him as well. It remains one of my favorite memories working for him. He was a wonderful man. I'm sure you all miss him. I don't know if you will see this all these years later but wanted to share this. Linda Johnson, Minneapolis

“ To Sherry, Pam and their families.
I send you my heartfelt sympathy to all of you for your loss. I know that you'll miss him and miss those trips to the lake cabin or Lake of the Woods. Remember and think of all of the good times you had with him, and forget the last years.
My prayers are with and for, all of you.

“ Sherry, Pam and families - So sorry to hear, however I know Uncle Warren is much happier and at peace now. I'm so glad he was able to attend my wedding a few years back. I'll miss him! I have a picture I love of him of him all dressed up as a boy and with Grandma Bess holding my dad as a baby. I love his face in the picture! Sending many hugs to all of you.
