“ *Grandma Lou,*

You were not our grandmother by birth, but by GRACE. We were blessed to have you in our family. You are missed a lot and loved even more. Missing you until the lord brings us together again. God bless to all who love you!

“ *Remembering a road trip between two red-headed girls*

One sixty-two, the other sixteen

Making their journey to the home of The King

Thanking God for those memories

Cursing time for moving so fast

For now I must journey on this road alone

Our eternal King has called you home

I miss you Grandma

Looking forward to the day we're together again

In a place called....

Graceland

Enjoy the music, Grandma.
