“ *Barbara and Albert:*

I am so sorry to hear about Earl. He was a very tough person and a good person through and through. I am sorry I could not attend either the visitation or the funeral. Randy suffered multiple wasp stings over the past few days and I was in the E.R. with him most of yesterday. I am working 2 jobs and there was no way I could attend the funeral or visitation. Please accept my apology for this. If there is a charity you would like to designate, I will be more than happy to contribute. Take care and I hope to hear from you soon. Kathy and Randy
