“ Just a short note to let you know how sorry Anne and I were to hear of Earl's passing. I would often bring Earl Communion on Sundays at Westport Place and always found him to be upbeat and positive. He would greet me with a smile on his face and then a very firm handshake - to the point that I would fake a wince on my face about his grip. He and I would both share a laugh about that.

I also enjoyed getting to know Rosemarie as she would tell me stories of Earl's life and love of his family.

We certainly respect your wishes about waiting for a Memorial Service until a later date. Please take down my contact information listed below and let me know when that occurs so we can join you in celebrating a "great guy".

Best,
