“ *Rondall was what you would call (best neighbor and friend). If you were working on a project, he always offered to lend a hand. I remember one Derby I was in a bind Thursday evening moving beer, wine and liquor to bars at Churchill Downs. Rondall came out and helped all through the night moving product from bar to bar. We worked that night till the sun came up. He always had your back. He was soft spoken, with a heart of gold type of person. I know he will be deeply missed by his friends and family.*
