“ I'll see you at your grave site on Christmas day, mamaw.. You know I visit your grave site every year on your b-day, but this time, (2019) I'm going on Christmas too. I love you & miss you so much. I still cry today, (right now in fact), about 5 and a half years later.

“ Aunt Edith was a lovely, Christian woman. She knew where she was going and wasn't afraid to leave this world. She was an example to us all and while I'd like to think Mom and Aunt Kitty were there to embrace her, Aunt Edith would have corrected me on that one. Godspeed to her, and to her family I know God will be a comfort to you all.
