“ So sorry for your loss Linda and David. Praying for your families during this difficult time. I have many fond memories of your parents and the many get togethers at their home with our church friends. Your parents were special people. Your parents were so kind and such blessing when my mother passed away many years ago and you all showed the same kindness when my dad passed a couple of years ago. Thank you for carrying on their ministry. It is both a privilege and a blessing to have known your parents. Praying for all of you.
