“ Grandma I love you and miss you very much!! I miss going to your house and laughing and cutting up with you! I know you are in a much better place walking with grandpa. I wish you was still here! It is so hard to accept that you are really gone! I love you so much!

“ Aunt Edith,
Just because you are gone, you'll always be close by in my thoughts and heart each and everyday that I live. I know that you've gone to a better place, to share time with the others that love you, Uncle Neulon, Granny, Papa, Wanda, Mattie, and Little "JOHHNY RAY". You were always so special to me, and as you always said to Mom, Helen you know who's #1. Until we meet again in Heaven, remember that I love you today, tomorrow, and always.

Your Niece,
Judy
