“ *Eddie was the very best that ever represented 502. He was by far my best friend at the hall, and treated everyone with respect. A wonderful man. We retired on the same day. Wish he would have had longer to enjoy his retirement, but at least he did have a little time. I remember talking to him about retiring. He said he was going out early, but needed to do it while he still could. The world lost a wonderful man, and I lost a wonderful friend. You all are in my thoughts and prayers. Eddie will always have a special place in my heart. He was always very caring and kind. My wife had some medical issues, and he was always interested and concerned, that was Eddie. A pleasure to know and greatly missed.*
