“ So sorry to learn of her passing. She was a sweet lady and helped me immensely with my genealogy research. Enjoyed going with her visiting cemeteries and learning about family history. She will be missed.

“ i have so many memories of you Aunt Edna. When we were all going camping or the family visiting at one another's houses and staying up all night playing cards. If I needed you and Uncle Bobby you were always there for me. You will be greatly missed. Now you are walking on the streets of gold with The Lord. Give Uncle Bobby a hug for me and tell him I love him. Tell my Mammaw and pappaw I love them too. We will meet again one day and we shall dance on the streets of gold together. I love you Aunt Edna
