“ Sending prayers to family. Edna was an inspiration to me as we worked together in the executive office of FNB and then NCB. She taught me the true meaning of professionalism. We shared wonderful family stories, and I know her family well through those moments. I feel fortunate that I had opportunity to meet up with her once again at a senior function last year. She was a true lady and will be missed by those lucky enough to call her friend. Mary-Ellen Ambrozaitis

“ Edna was an active member of my Curves in Pleasure Ridge Park. She was liked by everyone and was a very sweet person. She had 143 total workouts here and she will be greatly missed. Our members were shocked when we heard the news. Please know that her family is in our thoughts and prayers.

Sincerely,
