“ *Laura Bevars on behalf of Robert and Brenda Bevars. We were saddened to hear about the passing of Edna. She was a friend to our family and to my father’s parents Bill and Laura Bevars for many years. Failing health prevented us from attending services for her, but she and her family and friends were and are in our thoughts and prayers.*

“ *I am saddened to hear that Edna has passed. I often think of her as she played a big part in my childhood. Edna would pick us up on Sundays and if we learned a new Bible verse, she would reward us with a trip to Scottys Restaurant. If you didn't make it to church Edna would always come by to make sure everyone was alright. I too remember falling asleep with my head on her lap many times during service, but she never got mad. I know she has a place in Heaven because she was an Angel here on earth. Till we meet again, rest easy.*
