“ Hello all,  
*I don't know if you remember me. We go way way back. We lived in the projects at 12th & Hill. Louise, we called you Weezy. I think I was about the same age as Weezy and Rebecca. Didn't you have a brother named Wayne? I had 4 brothers younger than me. Jody passed away 5 years ago. I don't know what we called him back then, he was next to me in age.  
Mom didn't work back then. Dad worked sometime at the the beer joint at 12th & Hill.  
I'm so sorry to hear about your Mom. My parents have been gone a long time.  
Even if you don't remember me, know that I am praying for you and your family.*
