“ Dorothy, we were so sorry to learn of Doug's passing. He almost made it to his birthday, but he is now at peace with the Lord.

“ I had the honor of working with Doug in the late 90's and early 2000's. Doug was incredibly dedicated to supporting the men and women of our Armed Forces. His work ethic was second to none. He was able to think through difficult problems and come up with solutions. More importantly, he was willing to do the work necessary to implement the solutions. When Doug knew he was doing the right thing, there was no way to stop him. Edward "Doug" Walker was a blessing to our Troops and to the taxpayers of this country!
