“ Steve,  
Please accept my heartfelt sorrow at the passing of your father Monday. I wish I could be there in person of course. Your father as well as yourself and your brother Kevin taught me quite alot about business in the time I had the pleasure working with you at F&A all those years ago. I hold our friendship since our days at Holy Trinity and THS precious to me and know in my heart that your father has transitioned into the joy of the afterlife. Please pass on my sincere condolences to your mother and family for me.

*"Live the Fourth!"  
Take care my Brother...

“ I am so sorry for the loss of Pops, but he will continue to live on in each one of his family members. He was a great man who had a great joy for living life to the fullest! The first time I met him, he made me feel so welcome and a part of the family. He will truly missed.
