“ My deepest sympathy at your loss of Betty. I worked in Pupil Personnel as the clerk/secretary for the School Social Workers and Assistant adirectors of Pupil Personnel. Betty always came in the office with a smile on her face and was always extremely pleasant to work for. I enjoyed knowing her over those years immensely. My Mom worked in Goldsmith Elementary Cafeteria and she had met her many times and enjoyed their encounters at the school. Mom, who is 95, was quite saddened to hear of her death. But as she said, the world has lost an ever present smiling face but Heaven has received a beautiful golden haired Angel. Blessings to your family.
