“ *My lovely Mother; I will forever hold you in my heart. I hope that I have done you justice in all that I do. My heart is broken. Walk with God now and join Dad and Linda in heaven. I did all that I could do to honor you, just hope it was good enough, you taught me much and I hope to be as good a person as you have been in every way. I Love you Mom. Watch down on us every day. See you in heaven Sunshine. Love, Cathy*
