“ I'm so sorry for your loss. I had no idea that Elizabeth had passed away. She was a patient of mine at CBC where she received her chemotherapy treatments. She requested me each and every time she had to have chemo from the time she was diagnosed until I left in Aug. 2007. She was a wonderful lady and one that I have never forgotten. May she rest in peace, she will forever be missed.

“ Josh,

*I am deeply sorry for the loss of your mother. I can only imagine
how you feel. But, I have found that it helps to remember the good
times spent with a loved one more than it does to mourn their loss. I
don't mean to tell you how you should do things, only to offer
advice. Celebrate her life.*

*I know we weren't the best of friends in school, but you were always
kind to me. Hopefully my advice will help.*

*Sincerely,
Ted Madden*
