“ *The world has lost a really person in Beth's passing, but Heaven is sure a lucky place. My bet is that she's up there cracking everyone up with her witty sense of humor! The best part is that she's no longer suffering as she did in life from all of her ailments. I always try to see the good in situations, especially in hard times. It's really tough though. Beth was my cousin. Sadly I didn't get to stay in touch with her the way I wanted to and should have. But I've loved her no less. My heart especially goes out to her brother, my other cousin, Jerome and his family. I can't imagine how hard it would be to have suffered the loss of his sister AND his parents! May God grant them healing in their grief and peace in knowing that Beth is now able to do everything she ever dreamed of in Heaven. And now Heaven is even more awesome. God bless you all.
