“ Tom and Louise, I'm so sorry for the loss of your mother. I saw the news this morning when I got into work. From what I have read of your mothers life, she was raised in and also had herself, a large family. I'm sure that will be a blessing for you. I too am from a large family and felt the loss of a parent and though it doesn't free you from the grief, it does help to ease one's pain with so many to share the many memories I'm sure your family has of her.

*God Bless, Ron and Donna Jackson*

*It is with great regret that we cannot be with you to celebrate the life of Ella Mae. There are many fond memories of the times we have spent with her and of her hospitality. We have all of you in our prayers & thoughts. Neither of our employers provide time off for any but very immediate family.*
