“ Dear Family,
I was so sad to hear of Ellen's passing. I was even more sorry due to phone glitches that we did not know about it with enough time to come and be with you for the services. I know it has been a long time since we all saw each other, Ellen's children were small, but, Ellen and I were like peas and carrots growing up and could hardly wait to see each other every summer at Grandma's house in Greenwood. The last time I saw Ellen was at Harry's retirement party in Greenwood and the last time we spoke was when Harry passed on. On Sunday night Ellen came to mind and I thought to myself I need to dig out her number and give her a call. Then sister Liz called me on Wednesday telling me she passed away. I know you all loved her dearly and will miss her, as will I. I do look forward to the day when we will all be together again in Heaven where the trials of this life will be no more. Please each of you, send me your contact information so I can call and talk with each of you. Love Cousin Kay

“ *I will greatly miss Ellen's presense on this earth. She was the first friend I ever made in a church. She was a soul-mate. I will miss her raw sense of humor, her discussions about Jesus, her creativity, her loyalty, her love, her convictions. The world already feels more empty without her in it. Oh, how I loved her! My heart goes out to all who knew and loved her. I believe she is finally with the Lord whom she loved so much. May God watch over her children and grand children forever and ever. Love, Brenda*

“ *Sarah and AnneMarie, I know you are utterly devastated by the loss of your mother. I hope that some comfort can be found by holding onto the gifts she gave to each of you and the good memories made with her.*
