“ I have had the honor to see Ellena on a regular basis, I'm her hairdresser. Ellena was a client you looked forward to seeing, she always had a smile and a kind way about her. Ellena was a person you could count on, never late for an appointment, when something came up she always called to cancel. She talked about her family, she loved her boys! Ellena had great passion and respect for her life here, but the most important thing she had GREAT RESPECT for GOD and HIS WORD! Ellena has the hope of heaven! We need more Ellena Gallusser's in the world it would be a better place, but now she's got the best place, with the LORD! My sympathy goes to her family, I know they will miss her greatly!

“ Dear Ellena's Family, I adored her so much. She was my Weight Watchers Leader for many years. I moved several times with her to other locations just to hear her speak. I shall never forget her radiant enthusiastic smile and her good research skills. I always learned something meaningful each time I would hear her speak. She was always prepared. Ellena was a very special person. I feel very deeply for all of you. Sincerely, Carolyn Sander

“ Sending our Prayers to the Family~  
Our Father who art in heaven, hear this little prayer and reach  
across the miles that stretch from here to there. So we may feel  
closer to those we are fondest of and they may know we think of  
them with thankfulness and love and to know that we are together in  
the haven of our hearts~
