“ I don't know why I think about you as often as I do. I didn't know you passed, for a few years after. You text me back in 2016, and I hadn't thought much of it. You apologized for an argument we had, when we tried to reconnect. I feel bad that I didn't know you wouldn't be around much longer. I wish we'd met at a different time in our lives. You were a force of nature. RIP Princess Daisyhead.

“ Marilyn,

I am truly devastated to hear about Emily. There is nothing I can say that will make things better except it will get easier with time. My thoughts and prayers are with you and your family in this time of need. If you need anything from any of us at work just ask.
