“ Ric was fun unique individual. Every time I saw him he had a smile on his face and a witty story to tell. I enjoyed our conversations because not only did I always learn some new fact from him, he made me smile and laugh right along with him. My sincere condolences go out to Pat and her family.

“ Ric was such a nice guy and everyone who knew him loved him. Funny, positive, encouraging, and loved the drums. He loved coming to the Thursday jams at Louie-Louie's/Bearno's. He played with such a nice touch and finesse. Plus a great hand percussionist too. We will all miss his infectious smile and kind words. R.I.P. Ric, thanks for brightening our lives a little more.
