“ God in his mysterious ways, put on my heart to reach out and find an old friend and I did . Only to find him gone on to the next life. He was a mentor and big support to me when I did time with him at St. Mary's years ago. He had just married Jessica and had a new little place of their own. I got busy and I suppose he did also. I saw a pic of him on Facebook in 2019 from what looked like. Prison cell. I never felt he belonged there and he had a light in him that he didn't realize !! He was a real inspiration and support to me and I am deeply saddened to know he has left this world. I'm on Facebook or messenger under David Marshall if anyone would care to share with me what happened .. I am deeply sorry for you loss as a family..

“ Erick my precious Nephew, I lost a piece of my heart when I heard the news. You were always calling me Jula, dancing around, and a million dollar smile that could light up the grayest of any rooms. My sweetest memories of you will live on, although no new ones could be made here on earth, you will be making those in Heaven. RIP, Angel, and prepare a place for the rest of our family. I love you forever !

“ *I Will Always Remember my Cousin Erick Always keeping Our Entire Family Laughing! He could walk in a room & you Knew Immediately he was there! Anything from cracking jokes to dancing! That was Erick.... He Never met a Stranger. You ask anyone about my cousin & they Will tell you just how Great & Joyful of a person he was to Anyone & Everyone! I will Always hold him close to my heart by All the Fun memories we shared as kids growing up into adulthood. I like to think that God does Everything for Reasons (even if we don't understand,one day we will). And, I Know his Father is waiting to show him how Beautiful Heaven is! I am just devastated that I reached out in hopes of finding my ole friend and reconnecting after several years and I find him gone! May I ask was he sick or was this sudden or what happened! God I am just stunned! He had enough life for 100 people it always seemed and a presence like I can't explain.. I'm so sorry for the loss.
