“ I am very sorry to hear of the passing of your mother. I did not see the obituary in time to come to visitation. I was very fond of her and enjoyed my visits with her. She always made me feel very welcome in her home.

“ Dave and Family,
So very sorry to learn of your mother's passing. We spoke of her the last time I saw you and you said she was not doing well. I know the pain of losing a parent and there is nothing easy or simple about it. Lean heavily on those you love during this time of grief. I send you prayers of peace. Carol Dawson
