“ Anne was one the of kindest, sweetest people I have ever met. Through the tears I have smiled and laughed about all of our times together.
I know that finally her hair is perfect and heaven is clean and neat!
But most importantly, Anne is HAPPY AND HEALTHY and with people she loves. She's watching over all of us and smiling and we all need to remember our wonderful times with her.

I love you and miss you Annie!

“ We were saddened to learn of Anne's passing. She was very special to all of us who knew her. She always was more concerned about everyone's health...putting their needs above her own. We will miss her terribly. Her ready smile and beautiful expressive blue eyes always made us feel so welcome. Our hearts are breaking for John and the entire family.
We send our heartfelt prayers!

“ Anne was a very special person and will be greatly missed. My heart breaks for John and Rebel and I pray for strength to get through this very difficult time! She battled her illness with courage and strength and always worried about everyone else. Her positive outlook and wonderful sense of humor made everyone around her love her.
