“ *Cindy, Cathy, and Pat, It has been so long since I have seen any of you but yet it seems like just yesterday. I would love to get together and talk about old times. I loved my aunt Evelyn. I wish I could have been there, but the day I saw it in the paper was the day of the funeral. It seems like she had such a happy and fulfilling life. I am so glad. She always was and always will be my aunt Evelyn and I will always have wonderful memories of all of you. Love, Janice Rose Karrick Schneider*
