“ Mom, It's been six months tonight since you went to your new happy home in Heaven. Lots of things have changed in these last six months, but I know that you have been watching and knew that everything would work out just right. I love you! I miss you! Robyn

“ Robyn, Elaine and family, I am sorry I could not pay my respects in person, but I had to be at work today. I feel for your loss but know your mom is in a better place. I always had the highest respect for your mom, and she had a positive influence on me. She was a great lady. I hope your memories of her serve to comfort you.
