It's a perfect time to tell my parents Dorothy and Lonnie Lawson how very much I Love You both. Yes, Evelyn gave you a wonderful son-in-law, she gave me Great, wonderful and loving husband and extended family. I will miss her so much, but the memories of her will always be in my heart.

My only wish is, I had known her years earlier because I believe she could have taught me so many things.

From the stories I've heard, I might have learned to paint, be a baker, candy maker and better cook(lol).

Ms. Evelyn, you are going to be missed by MANY. RIP

Aww you all are making me cry! Evelyn was a very sweet lady and I was lucky to have had the chance to know her I wish I would have taken more time to get to know her. One thing that is true is we are all very lucky to have Robert. He is a dad that he didn't have to be at all and I think I can speak for all of us kids we are very grateful for him. Thank god he got Evelyns cooking genes! Love you mom and Robert here if you guys need me!

“ Memaw, I sure am going to miss you but I'm glad you are free to be yourself now. So full of energy. I remember you taught me how to make a baby quilt for Taylor and I loved how you loved your fur babies. I know everyone including your fur babies were waiting to give you hugs and kisses. I can see you smiling now, I hope when my time comes you will be waiting for me.
