“ Dear David and Vicki,

*This is Rhonda Gray, childhood friend from so many years ago. I am so sorry to hear the news of your parents. My thoughts and prayers are with you and your family during this tough time.*

*It has been less than a month ago that my mother and I talked about our Rosewedge Way neighbors. I even had to pull up google map and try to recall all those living on the street.*

“ *Our love and prayers; so sad to lose them both so close together, but much comfort in knowing they were only apart for a few hours.*
