“ I was very saddened to hear this news. Wayne "Fella" was my partner in business with A & W Custom Concrete LLC. I enjoyed having breakfast at Mr. Lou's where we would often meet with his father. I am thankful to have known him and I pray that his family and many friends find peace and comfort in knowing that many, many, lives he touched while passing through this place. I hope to see him again someday. Rest in peace my friend

“ I am saddened to just hear about Wayne's passing. He worked on several projects of mine. He always had a great sense of humor and great smile. He talked often about his family and it was apparent he loved them very much. May his family and close friends be comforted by the memories of his grand smile, laughter and warm personality. Blessings to his family at this difficult time.

Sincerely,
Michael Duncan
