“ My prayers and love go out to my Aunt Dot who is like a mother to me and Beverly who is like a sister to me. May God surround you with his loving arms during this difficult time and may friends and family comfort you with their love. I will miss my Uncle Foster who was like a father to me and one of the most loving people I have ever met. I'm sure heaven is glad to have him but he will be missed by so many who knew and loved him.

“ Dear Ben, I was sorry to read about your Dad in the obituaries. Having lost my Dad last March, I know there are no words to take away the pain you and your family are feeling right now. Knowing that he is with God, pain-free and in his prime, has gotten me through a lot of days and nights. I hope this will help you too. You and your family are in my prayers. With sincere sympathy, Robin
