KC

“ Frank was one of the first people I met when I first started driving a truck in 1964. He would go out of his way to help a young driver get started. He worked at Terminal Transport when I met him. Although I had not seen him in years I will miss his friendly face. I was proud to call him my union brother. Ken Cornetet

Ken Cornetet - June 28, 2018 at 04:10 PM

WH

“ Frank had a loving heart, good spirit and will be missed.
