“ My condolences to you and your family at this time. I retired as a Captain from the Louisville Fire Department(1985-2005) as well. My Dad is Mack Poole(1962-1989) he also retired from the LFD. I just wanted to say god bless your dad as he was an honorable man with his service to both the country and this community. We firefighters are a brotherhood for sure. May Captain Hollis rest in peace now.
