“ My brother always made me laugh. He was the funniest!!!! I think he missed his calling. He was so very witty and on the ball with his comebacks. He was a real individual who stood out for sure. I have so many funny things and stories I could tell on him but I'd have to write a book. Charlie remember our “big red” truck and Jennifer my dog story??? Those are the things we must remember and celebrate the life he had and how he made us laugh till our sides hurt. If I could be there this is what I would say. I will never forget him.
