“ Frankie was a very special lady. She has suffered many years with MS but her spirit was so brilliant that you could feel it when ever you were around her. Her love for her Lord and family will leave on even when she is no longer in our midst. I remember her as a young girl with so many dreams ahead of her. Her loving husband and family have supported and cared for her throughout her life. Now she has gone home and we all with miss her but she now is in the loving arms of our Lord. I'll see you someday again Frankie and oh won't we have a grand reunion!
