“ I met Fred at Winn-Dixie in Jeffersontown in the late '60's/early '70's. My wife, Elsie, and I started using him as our dentist in 1975, when his office was on Breckenridge Lane. We stayed with him until he retired from dentistry. He always made our visit fun and pain free. We always felt like family. When it was time for our daughter, Emily, to start seeing a dentist we took her to Dr. Fred and he counted her teeth and brushed them with bubble gum flavored toothpaste. The three of us will always remember how kind he was to us and the picture of the shark that said " only brush the teeth you want to keep". Our daughter went to Assumption with Katie and Megan.

We are so sorry for your loss and know how much he will be missed. May he rest in peace.

“ Fred was a strong and independent man. I will always remember him with that wonderful smile, kind eyes, and easy laugh. He loved his girls and I remember when he was dating Jane, his lovely wife, at the ripe old age of 14. I know his daughters will miss him greatly as well as Jane. He was one of a kind and a good man.

Rest in peace and travel on to your heavenly home, we will all meet again some day.
