Fred was a kind and gentle soul. He was always willing to help anyone and had love in his heart. His last few years were difficult but he knew where he was headed. We will always remember his spiritual testimonies at church and his "spot" at Rockford View. He will be missed but never forgotten.

Aunt Joan, Scott, and Steve - Please accept my sincere condolences on the loss of Fred. Although I mainly knew him through the many family reunions we had during the holidays in the 80s and 90s, during those times I could always see that he was a good-natured and genuinely kind person..something rare in today's world. He always seemed to bring a smile to the face of those around him, and I know the world is a lesser place without him in it.

I hope you find comfort in the positive impact he had on others in this life and the many good memories you have together. You are all in my thoughts.
