“ Bill, Lisa, and the Greenwell Family,  
Please accept the condolences of Mary K. and myself at the passing of your mother. Freda always will be an inspiration to me because of her wonderful positive outlook on life. She was a joy to talk to. How thankful we are to hear that she was able to be at home and enjoy being with friends till the very moment of her passing. I know from experience that it is never easy losing one's parents. You think that you are ready for it and you never are it is your connection with the past. We continue to pray for Freda and you. I am sure that Freda has lots to say to Kenny and she is doing just that right now. May Freda's soul and the souls of all the righteous through the mercy of God rest in Peace. Amen.
