“ How do you tell people about a person who never gave up on you. He loved me like a son and I looked up too him. He would stop and see me once a week just to make sure I was ok . We would laugh, cry , talk about Greensburg and how the Crow flew. He always would stop and pray that God would protect me. He fought a great fight he finished the race, I almost beat you I promise I will see you when I get there and I will always keep my eyes on Rick and Barbara we are family I want let anyone hurt them. Ole buddy see you when I get there

“ *Brother Tucker was an amazing man. He was there when I got saved and he was who officiated my first Marriage. I've known him and sister Bonnie since as Brother Tucker used to say I was knee high to a grasshopper.*

“ *Rev. Tucker wasn't just my pastor since I was three years old but he was more like a father to me. I always could count on him and Bonnie and for that I'll be forever   grateful  and humbled. Brother. Tucker taught me so much about our lord and Savior Jesus Christ  and I'm so blessed to have had the honor to grow up right in front of him and his beloved wife Bonnie. My heart is deeply sad that you're gone but what gives me peace  is knowing that you are celebrating  your homecoming in the clouds of glory. Until we meet again my hero, continue to watch over us all. I'll spend forever   loving and missing you.*
