“ I remember Gary and his family. Gary liked to clown around. My brothers and I spent many a day down at their home on Fireside Drive. We rode bikes and played sandlot baseball talking about girls and the future. He and his brother Danny were close friends and school mates at OLC. I remember those days fondly.

I met Gary a number of years ago and was please and to hear as career and his love for his family.

Rest in Peace my friend.... sorry I couldn't make it to pay my respect in person. Danny, I'm sorry in the loss of your brother.

“ My memory of Gary is he loved to joke and tease people. my brothers and I grew up together and went to school and church together. Some of my fondest memories are with the Fahey family and others in that neighborhood. Rest in peace Gary. Vivat Jesus--

“ Gary was such a kind God fearing man whom I have had the pleasure of knowing since becoming next door neighbors in 1978. I know he and Helen are so happy to be together again. May God spread comfort among their children whom they loved so much.
