“ Suzette and family, I'm so sorry for your loss. I have fond memories of me, Eulan, you and Gilpin meeting for breakfasts on weekends, our golfing outings when we would go and ride along in the carts with the guys, our lovely trip to Florida. I especially remember the fun Eulan (Buddy) and Gilpin had when they were together. Like two peas in a pod. LOL. The memories you have of Gilpin will last forever. Now he can golf in heaven. May God comfort you all in your time of grief. Suzette there's just so much more I could say, but don't know how to put in words. Just God bless you and the family.
