

Gary L. Morgan

September 12, 1956 - March 29, 2025

Gary L. Morgan, 68, of Louisville, passed away peacefully on Saturday, March 29, 2025, surrounded

by his loved ones at Norton Brownsboro Hospital. Gary was preceded in death by his father, Buford

Morgan. He is survived by his wife, Teresa; his two sons, Jameson (Courtney) and Jordan (Annie);

and two grandchildren, Maeve Catherine and Rosalyn Josephine Delacroix.

He is also survived by

his sister-in-law, Donna Means; brother-in-law, Joe Means; his niece, Anne Means Carlsson; and

aunts, uncles, and cousins.

Visitation will be from 12 p.m. to 6 p.m. Sunday, April 6 at Owen Funeral Home at 9318 Taylorsville

Rd. The funeral service will be conducted at 10 a.m. on Monday, April 7 at the funeral home with

burial to follow at Kentucky Veterans Cemetery Central in Radcliff, KY.

Gary was a quick-witted, larger-than-life person who loved telling stories, tall tales, and jokes. Most

of all he enjoyed spending time with his loved ones. Gary was involved in his community and a

member of several organizations that were always focused on service to others. He was a hard

worker and generous in all facets of life.

He was born in Louisville, KY, on September 12, 1956, and was adopted by the late Buford Morgan.

After graduating from Green County High School, he enlisted in the Army in 1975, serving in the

82nd Airborne during the Vietnam War. He was exceptionally proud of his service to the United

States, though he seldom spoke about his experiences. Later in life, after starting a family, he

returned to education and graduated from Spalding University in Louisville, KY.

Gary met the love of his life, Teresa Morgan, while working as a paramedic for Louisville EMS. Later,

he became a flight paramedic, where he and Teresa worked together for Skycare. They quickly fell in

love and spent 39 wonderful years of marriage together. They enjoyed spending time with family,

friends, children, and grandchildren. Gary and Teresa were members of St. Matthews Baptist

Church, where they dutifully worshiped God in fellowship with their church community.

He loved being involved in his children's lives and coached them in many different sports, winning

championships and teaching valuable life lessons. Many people in Oldham County still called Gary

"Coach" over 30 years later, which meant the world to him. He never missed a sporting event his

boys played in and never missed a single life milestone. He was always present and always told his

sons he loved them and was proud of them.

Gary dedicated nearly 30 years to the Kentucky Organ Donor Affiliates

(KODA), where he played a vital role in coordinating transplants for numerous individuals in need of life-saving organs. His efforts made a meaningful difference in the lives of many families, allowing them precious time together. Gary was passionate about training KODA staff, and his legacy will endure long after his tenure.

Gary was a dedicated Freemason. He was initiated as an Entered Apprentice at Lyndon Lodge No. 960 on May 22, 1986, passed to the degree of Fellow Craft on July 24, 1986, and was raised to the sublime degree of Master Mason on September 25, 1986. He served as Master of Lyndon Lodge in 2013 and became a plural member of Louisville Lodge No. 400 in 2007 and Master of the Lodge in 2015. He also became a member of Sunset Lodge No. 915 in 2016, and Abraham Lodge No. 8 in 2022, where he served as Treasurer from 2023 until his death. He furthered his Masonic knowledge in both the York Rite and the Scottish Rite. In 1987 he became a member of the Ancient and Accepted Scottish Rite Valley of Louisville, where he received his 32nd degree in Masonry. Later, he was given the distinction of Knight Commander of the Court of Honor in 2015. He also served as Wise Master of the Chapter of Rose Croix from 2021 to 2022 and was privileged to become a member of the Royal Order of Scotland. In the York Rite, he was the first Treasurer of Abraham Chapter No. 196, Royal Arch Masons, and Illustrious

Master of Louisville

Council No. 4, Royal and Select Masters, in 2012. Additionally, he was a member of Louisville-

DeMolay Commandery No. 12, Knights Templar.

Lastly, Gary was a proud Shriner. He joined Kosair Shrine in 2001, later becoming Potentate in 2017

and serving as Treasurer from 2018 through his death. He was the Past President of the Shriners

Treasurer Association, but most of all, he was deeply honored to serve on the Board of Governors

for Shriners Children's Hospital in Dayton, Ohio. He was a loyal and faithful brother and was a true

Craftsman.

The family extends its deepest gratitude to the ICU staff at Norton Brownsboro Hospital. Their

unwavering compassion, professionalism, and kindness not only provided Gary with the best

possible care but also supported and comforted the family in their time of need. Their grace and

dedication will never be forgotten.

“ Dear Teresa, Jameson, and Jordan, I was so sadden when my daughter shared this news with me about Gary. What a wonderful, kind man he was. For many years I would meet and greet Gray as he arrived at St. John after school and summer programs to pick up Jameson and Jordan from day care. He was one of my favorite parents! Always happy and wearing a smile! He rarely failed to take time and check out what the boys were enjoying with their friends before gathering backpacks to head home for dinner. May you all find peace and strength in the days ahead. God Bless each of you.

“ From Gary's WKY girls (Vanessa and Sarah). We were trying to make it up there today for the visitation. We had to turn around because unfortunately a large portion of I-69/ WKY parkway is shut down due to flooding. Please know that we are thinking of you and praying for you as you go through the difficult days ahead. Gary is so special to us. We have great memories of working with him that we will cherish all the rest of our days. Sending love and hugs from Paducah.

Vanessa and Sarah, I totally understand. I hope you both are safe and unaffected by the flood and cont rising water. We saw the deviation on our way to the cemetery. I really appreciate your visit at the hospital and am ck fortes by the number of Koda employees who have reached out. It is so uplifting to hear his positive impact in the workplace and personal lives. That is all we can ask for in our walk of life. To live well seek mercy and love our fellow man.

“ Coach had such a positive impact on my sons growing up. I truly enjoyed coaching football and basketball with him for many years. There was never a dull moment whether it was during practice or a game. Gary always had great one liner to say to the referees. It was the best of times. Seeing the men our sons have become is a tribute to him. God bless Gary and the Morgan family. George and Cheryl McClain

Thank you George! You and Cheryl invested far more. From Cheryl's love and nurturing at the day care to fostering our boys friendship. Then in football being the buffer, encourager and humor in all situations. Thanks for everything. Gary always left it on the field and in life.

“ *Terri, Jameson, & Jordan - We are all heartbroken to hear the news of Gary's passing. Gary was large than life. His personality and sense of humor were incredible. I always had the utmost respect and admiration for Gary, not only because of his immense talents, but for his dedication and love for his family. Since hearing of Gary's passing, the memories have flooded back. I have to laugh out loud when I think of the stories he shared and his incredible saying - that I have shared countless times - because he could truly capture the essence of situations and things with his sayings. You know he is in Heaven keeping everyone entertained with these. Please know you all (and even the new members of your family I haven't met) are in our hearts and prayers. God Bless You All. He was a caring and compassionate human being who believed in the mission of organ donation and saving lives. I never had the opportunity to meet his family, but I can only imagine that they are tremendous people. My thoughts and prayers are to them as well. I have no doubts that Gary left a lasting and positive impact to everyone around him and he will be missed.*

“ *Gary had such a massive personality. Our staff meetings were sure to give good laughs when they involved his participation. He was quick-witted and at times appropriately pompous. He made a huge impact on everyone who worked with him and we were all better for it. I cannot imagine the loss for his family. He always spoke so highly of Teresa and his boys.*

We would spend hours on the phone after our sons football games rehashing every play. My favorite Gary quote is "if you don't like my fruit don't shake my tree"!
