“ I will always remember Gary even though I hadn't seen him since I was 16. Him and Rosie are my godparents and bought me my 1st guitar when I was 6. My parents have told me many stories of how wonderful they are. I still remember the oil lamp in his house that i thought was so neat as a child. I often wonder how they are so I'm so very sorry to hear of his passing. I wish I had known at the time. Please know I think of you both often and have tried to reach you throughout the years. With love, Tina Lynn Sanders.
