“ With a heavy heart I would like to send my deepest condolences to the entire Wilbert family. Gary was a loving man who had many struggles and challenges through out life but I hope you can all find comfort in knowing he is now at peace. Gary and I shared many talks about his addictions and family. Gary possessed a huge heart and a great sense of humor. I loved Gary and choose to remember him always smiling and laughing, even at himself. He will be missed but always fondly remembered. My prayers and love go out to you all and may God Bless you all and give you strength and peace to get through this heartbreaking time.

“ Prayers for the Wilbert family. Gary was a larger part of my childhood than he will ever know. He always had time to quarterback us younger kids in the neighborhood. I too have battled cancer and my heart fell heavy upon learning about his passing. I spoke with Randy Cruz today, and we both remember how nice the whole Wilbert family had been to us. Rest in peace my friend. You will always be remembered.
