“ *Gayla's faith allowed her to let God's love flow through her to others. She was a passionate person who loved her son Eric to the moon and back, she loved her granddaughter and loved and loved being loved by Ronnie. Gayla was the friend who always had your back and you could count on her to be there for you.*

"If they say

Who cares if one more light goes out?

In a sky of a million stars

It flickers, flickers

Who cares when someone's time runs out?

If a moment is all we are

We're quicker, quicker

Who cares if one more light goes out?

Well I do"
