“ We were so sorry to read of the passing of your aunt Gayle. She was a wonderful person whom we admired very much. She worked for us at Medix Pharmacy for years as a relief Pharmacist and we met her brothers many times. Our families were connected in other ways too. Your grandmother was a secretary at the old Atherton High School where, I, Barbara, was her aide one period a day. She was close friends with the parents of one of my boyfriends and we enjoyed sharing stories about him and his parents. Then when I had my first child her sister was a baby nurse for me and stayed in our home for over a week. We truly admired your whole family and are so sorry about Gayle. We know you will miss her.
