“ *Aunt Genny and I had gotten really close, I'm still in shock! We had lots of plans of things we wanted to do. A couple of months ago I went over to her house to visit and ended up staying for hours. We laughed and told stories, our jaws, stomach and of course we almost wet our pants. We talked about it for days after. I'm so glad I got to spend that time with her! Aunt Genny I love you and I'm going to miss you so much* ❤️ 🗲
